# SPORTAGE

## Accessory Programme

## MAKE IT MORE YOU

The new Kia Sportage is living proof that first impressions last. This breath-taking SUV keeps on being exciting – wherever you go and whatever life throws at you. Apart from a head-turning design, the Sportage carries essential SUV credentials to tackle any urban adventure. Plus, it combines the comfort and the versatility you'd expect from a saloon.

Now you can adapt it even more to your personal needs. All Sportage accessories share the same commitment to quality, just as you'd expect from a Kia. Please contact your local Kia dealer for more details.

- 1 Skid plate front  
3W410ADE10
- 2 Skid plate rear  
3W410ADE20

The front and rear skid plate as well as the side skirts give the vehicle a more robust, off road appearance. They are voluminous and expressive in styling and respect the original vehicle design by following the styling accents. Due to the fact that the three products are manufactured from the same material and sharing the same finish, they can be combined perfectly.

- 3 Integrated side steps  
3W370ADE00
- 4 Side door molding  
3W271ADE00
- 4 Side skirts  
3W410ADE30

The side steps are not only a most valuable accessory for getting in your car in an even safer and more comfortable way. Furthermore, they add an additional eye-catcher to your car's exterior.

The side doors are among the parts that are most exposed to risk of receiving scratches and other undesired marks. The side door mouldings have specially been developed to prevent all sorts of unwanted traces of use on the side doors. At the same time, the look and feel of brushed aluminum contributes to your vehicles timeless design.

- 1 Alloy wheel kit 16"  
3WF40AC100  
Alloy wheel kit 16" TPMS  
3WF40AC110

- 2 Alloy wheel kit 17"  
3WF40AC200  
Alloy wheel kit 17" TPMS  
3WF40AC210

- 3 Alloy wheel kit 18"  
3WF40AC300  
Alloy wheel kit 18" TPMS  
3WF40AC310

With their dynamic design, these 5-(double)-spoke alloy wheels perfectly match your car's serene shape all in reflecting your personal taste and style. All alloy wheels are available for cars with and without TPMS (Tire Pressure Monitoring System).

- 1 Towbar detachable - THULE  
3W281ADE01
- 2 Towbar detachable vertically - ALKO  
3W281ADE00
- 3 Towbar fixed - THULE  
3W280ADE01
- 4 Towbar fixed - ALKO  
3W280ADE00

Towbar wiring kit, 13-pole  
3W621ADE00CP  
(without picture)

Towbar wiring kit, 7-pole  
3W620ADE00CP  
(without picture)

The tow bars enable you to use your Sportage for a wide range of trailers and caravans. While the fixed tow bar is a perfect solution for all those who regularly need to pull something, the detachable version enables you to use your vehicle for pulling while minimizing the impact on your cars silhouette.

Combining the latest technology, a perfect usability and compliance with the highest safety standards. The two different tow bar wiring kits are equipped with a park distance control cut-off function, which allows to de-activate the rear parking sensors while a trailer is towed. The innovative C2 function warns via a buzzer in case of malfunction of the trailer's indicator or brake lights and works with both bulb and LED trailer lights.

**1** Roof rack - aluminium version  
3W210ADE00AL

**2** Roof rack - steel version  
3W210ADE00ME

**3** Cross bar - aluminium version  
for optional roof rails  
3W211ADE00AL

**4** Cross bar - steel version  
for optional roof rails  
3W211ADE00ME

**5** Ski/ snowboard carrier  
E821066504  
E521066506

**6** Bike carrier for roof rack  
E822066600

**7** Bike carrier for tow bar  
E823055000

Our roof racks and cross bars are easy-to-use-solutions for perfect mobility. They are the safest and most convenient way of transporting bulky items such as bicycles, sport equipment or heavy luggage and can be perfectly combined with the various holders which are offered for the Sportage.

- 1 **Mud guard kit front**  
3WF46AC000
- 2 **Mud guard kit rear**  
3WF46AD200
- 3 **Ice-/Sunscreen**  
3W723ADE00
- 4 **Wind deflectors**  
3W221ADE00

Under difficult weather conditions and during of road use the mud guard kits protect the sides of your car from receiving stains and marks.

The multifunctional ice-/sunscreen is a more than useful accessory in both summer and wintertime. When it's hot it avoids the unpleasant heating up of the car's interior, while preventing icing of the covered windows during cold season.

In times of nice weather, most of us enjoy driving with an open window. The specially designed wind deflectors significantly reduce the sometimes unpleasant air draft inside the car and minimize noise.

1 Floor mat carpet, velours  
LHD 3W144ADE00  
RHD 3W143ADE10

2 Floor mat carpet, standard  
LHD 3W141ADE00  
RHD 3W141ADE10

3 Floor mat rubber  
LHD 3W130ADE00  
RHD 3W130ADE10

The floor mats not only protect the floor of your vehicle from stains and undesired traces of use, they also perfectly complement your car's interior design. All the mats have a special design feature, showing the vehicle logo. The fixing points ensure a perfect safety while the heelpad reinforcement on the driver's mat guarantees the longevity of the product.

1 **Entry guards**  
3W450ADE00

2 **Cargo net**  
3WH17AP000

3 **Trunk liner**  
3W122ADE00

4 **Cargo separator**  
3W150ADE00

5 **Trunk mat**  
3W120ADE00

6 **Parking sensors front**  
E98001D100

**Parking sensors rear**  
E98001D000  
(without picture)

The 3D shaped aluminum entry guards cover the vehicle's original entry guards and help to protect its interior door sills from undesired scratches and traces of use.

While the cargo net holds any small or bigger item you wish to transport in its place and prevents undesired movements of your cargo, the trunk mat and the trunk liner allow you to transport any type of cargo without worrying about staining or blemishing the floor of your vehicle's trunk even under the most challenging conditions e.g. during outdoor activities and in difficult weather. The solid, steel-made cargo separator is not only easy to install and to remove but it also reliably prevents any object from suddenly turning into a danger for the passengers.

From now on, maneuvering your vehicle even into the smallest parking spaces is easy: the parking sensors measure the distance to any object in the front or the back of your vehicle and safely guide you into any parking lot.

## 1 Navigation system

- Perfectly integrated 2DIN navigation based on Pioneer AVIC-F20BT.
- Plug-and-play solution: vehicle specific fitting kit for fast installation and best integration.
- 7-inch touch screen.
- Navgate software, card material from TeleAtlas.
- European-wide navigation and multilingual routing: covers 44 countries and connector roads for 9 countries.
- Voice control for navigation, Bluetooth and audio functions.
- Multimedia player and radio with superior audio quality.
- Integrated Parrot Bluetooth module for hands free phone calls.
- Works with iPod and iPhone."

3W590ADEAK5 - WK (Black)  
3W590ADEAM5 - GAH (Alpine grey)

Wherever life takes you, the Sportage gets you in the right direction. To locate your destination without missing the supporting act, an optional large screen navigation system helps you to find your way. While it gives you the opportunity to easily find the most beautiful and exciting places in Europe you have also the possibility to listen to your favorite songs by plugging in your iPod. The touch screen allows you to quickly find the right song in the right moment and to listen to the music you like the most and which fits the best to your mood. As it is likely that you want to spend as much time as possible in your Sportage, the multimedia system additionally offers you to make hands-free phone calls in order to stay connected with your family and friends. Sit back, relax and enjoy your trip.

- 4 Child seat  
ISOFIX child seat group 2&3  
E894566021
- 5 Child seat  
ISOFIX child seat group 1  
E894566011
- 6 Baby seat  
from 0 kg until 13 kg  
E894566001

When it comes to safety issues, there can be no compromises. The following accessories have been specially designed to meet even the highest expectations with regard to safety and quality.

With the fully equipped safety bag on board you will not only be in full compliance with legal safety requirements but you will also be perfectly prepared to render assistance to others in case of an accident or injury.

Travelling with children obliges the usage of appropriate baby and child seats which is indispensable for security reasons.

# ACCESSORY APPLICATION

Category		Description	Part Number		Vehicle Type			Accessory incompatibility		
Accessory exterior	Styling	Skid plate front	3W410ADE10	* Styling part that gives the vehicle a more robust, off road appearance. * Voluminous and expressive in styling, respecting the original vehicle design by following original vehicle styling accents. * Can be combined with skid plate rear and side skirts, same material and finish.
